☐

Petition To Revive Unintentionally Abn. Appl.

☐

Petition under Rule 1.47

☒ Other: The basic filing fee is not enough, it should be \$40.00, Please review

Requestor:

P. K. K. K.

Supervisor:

Donna

Response:

~~Answer~~ Applicant did not pay the national fee until the petition for revival was filed on 28 January 2005. Because the fee was not paid until after the fee schedule changed on 08 December 2004, the fees required are the revised fees, not the fee that was in effect back in August, 2004. Applicant has paid the required post 12/8/04 fees, so the case should now proceed.
